Web page: www.VirginiaDOT.org/business/fairfax-permits-main

Information:

Applicants wishing to secure authorization for roadway use shall complete the attached form. This is a two-step authorization process: VDOT authorizes first, then Fairfax County Police. All conditions and provisions specified by the Fairfax County Police Department and Fairfax County Fire and Rescue shall be strictly followed. Should the event be cancelled or postponed, the event organizers shall notify the police contact designated on the second page of the application.

If your road use application is not approved by VDOT, comments will be provided by VDOT, then VDOT and Fairfax County Police will work with applicant(s), if requested, to investigate alternatives.

Application:

1. The application shall include a street map detailing the proposed location of the event, and indicating any proposed road closures.
2. An application for Road Use Authorization shall be submitted to VDOT at the above address at least 45 calendar days prior to the scheduled date of the event
3. The approved application with a self addressed stamped envelope shall be delivered to the Fairfax County Police Department at least 30 calendar days prior to the scheduled date of the event. It shall be taken to the District Station for the area in which the event will take place. County police addresses and phone numbers are attached.

Requirements for Applicant:

1. There shall be no authorizations for any limited access highways (i.e. Route 7100, 7700) or primary routes (those numbered 1-599), nor four lane divided highways or roadways where the posted speed limit is 45 mph or greater.
2. If trails are available along proposed routes for hike, bike, and run events then trails shall be used, not roadways.
3. Road closures on four-lane divided roadways shall not be longer than 15 minutes. Variables message signs shall be posted two weeks prior to event to advise the traveling public.
4. Requests to close a street for a block party shall include the signatures of all persons affected by the road closure.
5. Prior year's approval of annual events does not guarantee approval of this year's event.

Hold Harmless:

Issuance of an authorization letter by the Virginia Department of Transportation does not relieve the organizers, group, company, participants, parties to or sponsor(s) of the event from any civil or criminal liability resulting from accident, injury, or negligence. The Virginia Department of Transportation accepts no liability expressed or implied in connection with this authorization. Applicants shall at all times indemnify and save harmless the Commonwealth Transportation Board members of the Board, the Commonwealth and all Commonwealth employees, agents, and offices, from responsibility, damage, or liability arising from the exercise of the privileges granted in such permit to extent allowed by law.
